AUGUSTA NATIONAL

THE PREMIER MAJOR CHAMPIONSHIP

The Masters Tournament is the premier major golf championship of the year, played annually at the iconic Augusta National Golf Club in Augusta, Georgia.

This PGA Tour event is an invitational championship which awards the famous Green Jacket to its winner, and its tournament Champions earn a lifetime invitation to future Masters events.

Everybody knows that Augusta National Golf Club is home to the Masters. It is Georgia's dream course, located in a dreamlike setting. Augusta National Golf Club is one of the most exclusive clubs in the world, designed by Bobby Jones and Alister MacKenzie — the perfect duo to lay down the perfect course.

From tee to green, there is nothing but closely cropped green turf. The broad expanse of fairways, punctuated with majestic pines and dotted with flashes of pure white sand, gives Augusta its clean, magnificent appearance.

THE TRADITION UNLIKE ANY OTHER

Experiencing Augusta National in person offers unparalleled access to golf history. From Amen Corner to the pristine grounds, every detail is maintained to the highest standard in world sport.
